

➔ TSP654II

Entry Level, 300mm/sec POS Receipt Printer

As one of the most innovative POS manufacturers today, Star has created a powerful, high performance receipt printer at entry level pricing.

With a print speed of 300mm/sec and print quality of 203dpi with standard and 2D barcode support; the TSP654II offers high reliability of 60 million lines combined with Energy Star Certification.

The ergonomic design and optional splash-proof cover, combined with standard 80mm receipt printing; allows the TSP654II to fit seamlessly into the majority of hospitality, retail and kiosk environments.

- High Speed: 300mm/second, Print Output: 203dpi with Standard and 2D Barcode Support
- High Reliability: 60 million lines (MCBF)
- Energy Star Certified including PS60
- Star AutoLogo™ feature to independently add logos and coupons to receipts
- Near End Sensor for horizontal and vertical use
- Easy “Drop-In & Print” Paper loading

Connectivity

Traditional interfaces plus low cost...

- Ethernet
- USB

TSP654IIBI Bluetooth (Apple & Android)
TSP654IIWebPRNT Platform independant, high speed network receipt printer. Capable of Web based printing from any platform
