The extended warranty agreements provide the coverage you've been seeking to keep your Evolis printer operating worry free, long after the original warranty period has expired.

## Receive up to 3 years of extended warranty

In addition to the standard warranty provided with your printer, we offer an optional extended warranty, directly from Evolis.

This extended warranty agreement is available for the models listed below (only for products purchased in the 12 previous months):

<sup>(1)</sup> 1-year warranty or 500,000 cards  
 2-year warranty or 1,000,000 cards (for a 1-year warranty extension agreement)  
 3-year warranty or 1,500,000 cards (for a 2-year warranty extension agreement)  
 4-year warranty or 2,000,000 cards (for a 3-year warranty extension agreement)

<sup>(2)</sup> Up to 100,000 cards for the whole duration of the warranty (standard warranty + warranty extension)

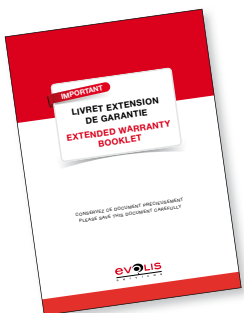

## Complete coverage

**Have peace of mind:** in case of a hardware failure, the cost of the replaced components and/or parts, **including the print head**, as well as the labor and return\* costs of the repaired printer are covered by Evolis.

**Benefit from a network of experts:** service and repair are carried out by a **Certified Evolis Repair Center** which ensures you the best service.

**Covered by the warranty**

- Parts**
- Labor**
- Return**

## Contact your Evolis reseller to benefit from your extended warranty

**Ask your Evolis reseller now for your warranty extension agreement.**

When buying your warranty extension, you receive a warranty booklet with general conditions, the number of the warranty extension and the number of the agreement.
